Online Education

1. Does all programs/courses were completed on time.

No

2. Measures taken to complete the syllabus of courses and programs.

Different equipments required for online teaching, provided to each and every staff. To improve online class teaching, regular tutorials and assignments were allotted to the students. Students were given freedom to ask questions through Google classroom and get satisfied by the answer given by the professor. Professors were asked to emphasis on the topics of importance mainly which require explanation which is not very easy to be self taught. The valuation of assignment and tutorials results were open for each and every student to improve the competition among the students. Professors were asked to interact students during online class to make their delivery more effective and keep the students responsive during class time.

3. The period of delay in completion of syllabus (in months).

1

4. The period of delay in conducting exams (in months).
